EEZEESTOR BINS

Tough durable EEZEESTOR bins are manufactured from high quality materials. They are available with wall mounted panels, single or double sided free standing units, mobile units or can simply be stacked on top of one another. EEZEESTOR bins are available in a range of colours ie red, blue, yellow, green, white or gray. Please contact your nearest branch for bins or storage systems not shown.

EEZEESTOR bins are made from high-strength materials. This makes them strong, sturdy and durable! They have large label slots for more efficient stock picking. They also feature a wide lip so they can be safely secured onto mounted wall panels.

WHY ARE EEZEESTOR BINS SO ECONOMICAL?

EEZEESTOR bins are manufactured from high quality materials. Our in-house manufacturing process utilises cutting-edge technology and because you are buying directly from the manufacturer you will always get the best deal no matter which colour bin you buy.

CUSTOM COLOURS

We can manufacture Eezeestor bins in any colour - a minimum quantity will be required though.
